ACADEMIC PREPARATION PROGRAM

AN INTRODUCTION TO THE CANADIAN HIGH SCHOOL CURRICULUM

For Students Ages 13 – 17

VANCOUVER, CANADA

Accelerate your academic progress

BODWELL HIGH SCHOOL is a private co-educational boarding school offering grades 8 to 12 and university preparation. Recognized as a leader among Canadian boarding schools, our school's diverse international and local student population make it a rich and exciting place to learn, study, play, and build lifelong memories and friendships.

Located in North Vancouver, the campus overlooks downtown Vancouver. Bodwell High School's wide range of facilities include two multi-purpose gyms, two cafeterias, an indoor swimming pool, multimedia theatre, music room and library.

EXPLORE A HIGH SCHOOL

The Academic Preparation Program *(APP)* is designed for students age 13 – 17 who are enrolled in Bodwell High School in the Fall 2020 semester, and other prospective Bodwell High School students. This program will be taught by teachers with expertise in both international education and ESL instruction. Courses will have a focus on literature, social sciences, and academic writing with the overall goal of improving student's English abilities before the regular semester begins. Fall 2020 Bodwell High School students will be exempt from APP only if special permission is given.

ENJOY VANCOUVER!

Students will become familiar with the Bodwell High School campus in a small, intimate setting thus boosting their confidence and creating a smooth transition into the full High School experience. Bodwell's APP will follow the exact schedule as the full high school and boarding program rooted in the concept of the "6 Ls." "Learn", "Liberate", "Live", "Lead", "Look", "Love". The 6 L's are meant to create well-rounded students by inspiring a sense of community and teamwork while developing skills and talents in a range of disciplines.

SATURDAY ENRICHMENT

Saturday Enrichment is a set of engaging and hands-on courses which allow all Bodwell students opportunity to expand their learning and to gain "real-world" knowledge.
